SINGAPORE, 18 April 2017 – Ms Low Yen Ling, Parliamentary Secretary, Ministry of Education & Ministry of Trade and Industry, Mayor, South West CDC, today officially opened the inaugural editions of Rotorcraft Asia 2017 and Unmanned Systems Asia 2017.

Visitors from more than 45 countries across 4 continents will have the unique opportunity to exchange insights on new innovative solutions and view the latest technological showcases presented by more than 80 exhibiting companies from close to 20 countries at the Rotorcraft Asia and Unmanned Systems Asia.

With the aim to support the region's rising demand for civil helicopters and unmanned systems, and its emerging needs, top executives, regulators, industry experts, academics and leading industry players will converge at the Rotorcraft Asia and Unmanned Systems Asia from 18 to 20 April 2017.

About Rotorcraft Asia

Rotorcraft Asia is a dedicated commercial and para-public helicopter event for the thriving Asia Pacific Market. It is the premier business and networking platform for manufacturers, owners and operators, MROs, distributors of products and services for the rotorcraft and related industry. Comprising an exhibition, conference and static aircraft display, the inaugural Rotorcraft Asia will be an integrated marketplace to springboard and tap into opportunities in this dynamic region.

For more information, visit www.rotorcraft-asia.com.

About Unmanned Systems Asia

The premier unmanned systems event in Asia presents the future of drones across a vast spectrum of commercial and defence applications, showcasing cutting edge technologies and solutions in aerial, ground, surface and underwater systems. Unmanned Systems Asia offers a highly effective platform for stakeholders to advance their search and rescue, communications, monitoring and surveillance capabilities. The show brings together manufacturers, suppliers, service providers, buyers, academia, governments, research and regulatory bodies to explore the limitless opportunities of unmanned systems.

About Experia Events Pte Ltd

Experia Events specialises in organising and managing exhibitions and conferences of strategic interest, fostering industry development and thought leadership. It has built a strong portfolio in aerospace and defence with the highly successful Singapore Airshow, Asia's largest aerospace and defence event, as well as the inaugural Singapore International Robo Expo and key events such as IMDEX Asia, Asia Pacific's flagship maritime defence show; Rotorcraft Asia, the premier dedicated event for the global civil helicopter industry; Unmanned Systems Asia, which presents the future of unmanned systems across a vast spectrum of commercial and defence applications; and Cybertech Asia, a strategic platform for the international cyber community. Experia Events' expertise also extends to the government and lifestyle sectors, through key events such as the World Cities Summit, Singapore International Water Week and CleanEnviro Summit Singapore.

With a proven track record underscoring its aspirations to stage events that influence, Experia Events aims to diversify its range of strategic events globally.
